Student questionnaire – end of programme

How did it go?

Answer the questions. There are no right or wrong answers.

1. Why?

2. When Navel talked about how it was feeling, did that help you understand its emotions better?

1 Not at all	2	3	4	5 Very much
-----------------	---	---	---	----------------

3. Is there anything Navel said that struck you or made you think?

4. Was talking to Navel different from talking to your teacher?

1 Not different at all	2	3	4	5 Very different
---------------------------	---	---	---	---------------------

5. In what way was it different, in your opinion?

6. After these sessions, do you think you understand other people's emotions better?

1 Not at all	2	3	4	5 A lot
-----------------	---	---	---	------------

7. Have you learned new things about how to react when you feel worried?

1 No, nothing new	2	3	4	5 Yes, a lot of things
----------------------	---	---	---	---------------------------

8. If you had to explain to a friend what you have learned, what would you tell them?

9. Is there anything you would change about this activity?

Teacher questionnaire – end of programme

End-of-programme questionnaire

CHILDREN'S ENGAGEMENT

1. How would you describe the class's level of engagement during the role-play activities?

Please consider both active and emotional participation.

2. Did you observe any differences in engagement between the sessions with Navel and those without?

1 No difference	2	3	4	5 Marked differences
--------------------	---	---	---	-------------------------

3. If you observed differences, what did they consist of?

For example: quality of the questions, depth of the answers, emotional intensity, response times...
